## 24 days of digital distractions

### Press Release

**Electric December: Mr Hopkinson's online interactive video sample orchestra**

**10 December 2005**

**Electric December** unveils a real treat of sound and moving image in Mr Hopkinson's newly updated online interactive video sample orchestra, selected from Electric Pavilion, Watershed's contribution to Creative Bristol,

Experience Mr Hopkinson's eclectic treat first hand with this interactive MX piece that enables users to play a variety of combinations of video clip samples. From drumming on a roundabout to underwater piano, the selected clips feature individuals who were invited to choose a location in Bristol in which to perform.

Mr Hopkinson invites you to grab your mouse and become a VJ in this curious cacophony of surreal sound and moving mayhem.

**Electric December** is Watershed's widely acclaimed online digital advent calendar, which offers a new and totally unique digital present every day from 1 Dec – counting you down to Christmas.
