

Press Release

Electric December: Wishing Well

3 December

If you had three wishes what would they be? On day three enter a magical winter wonderland where the virtual wishing well is sited. Throw your coin into the well to reveal a selection of short animations that feature pieces of writing, acting, recitation, jokes, dance and singing exploring the theme: "If you had three wishes...what would you wish for?"

Combining the talents of years 9,10 and 11 pupils from Cotham School (Performing Arts) in Bristol with third year BA Graphic Communication students at Bath Spa University, studying Digital Media and Design; the Wishing Well features one out of 17 very different pieces of moving image at each toss of a coin.

Electric December is Watershed's widely acclaimed online digital advent calendar, which offers a new and totally unique digital present every day from 1 Dec - counting you down to Christmas.

Notes to editors

- The work was completed in Bath Spas new Centre for Excellence in Teaching and Learning at Sion Hill. For further information about courses at Bath Spa University-School of Art and Design please visit <http://art.bathspa.ac.uk/>
