

Press Release
Electric December: Bristol Wishes
12 December

Day number 12 explores New Oak Primary school pupils' wishes for Bristol – brought to life by 2nd year Multimedia Foundation degree students at City of Bristol College who have created a panoramic landscape showing popular locations in and around the city.

(Day number 12 explores what the pupils of New Oak Primary School wish for, for Bristol. A panoramic landscape has been created by the 2nd year Multimedia Foundation degree students at City of Bristol College. The landscape shows different and popular locations in and around the city.) Roll your mouse over the landscape, click and watch as the children's wishes transform into short films and animations, ranging from wishing that England were better at football to wanting more cinemas in the city – this is a fun and interactive piece of media.

Electric December is Watershed's widely acclaimed online digital advent calendar, which offers a new and totally unique digital present every day from 1 Dec - counting you down to Christmas.

Notes to editors

- This project was produced by the 2nd year Multimedia Foundation degree students at City of Bristol College collaborating with New Oak Primary school formerly Tynning Hengrove Junior School and Petherton Road Infants.
- Electric December is an example of the work contributing to Bristol's bid to The Digital Challenge, which offers a £7m prize to develop a showcase zone for eGovernment and ICT innovation - find out more at <http://www.egovmonitor.com/node/1716>
- Find out more about Electric December, and download images and press releases at <http://www.electricdecember.org/06/press>
- Electric December is a Watershed project supported by Bristol City Council and Bristol Evening Post.
- You can see the last seven years of Electric December now at
